CONNERSVILLE HIGH SCHOOL

CONNERSVILLE, INDIANA

OUR YEARS AT CHS CAST MANY SHADOWS . . .

Discernibly visible in the shadows of this firm and strong building are the outlines of the stalwart individual as he prepares himself to become a participating citizen. Working together amid well organized guidance, we strive to conquer our ends. Within the depth of these walls we learn honesty, integrity, sincerity, and loyalty.

Various college bulletins and pamphlets which may be secured in the office are found to be very useful to those who are intending to further their education.

AS WE RECALL FLEETING MEMORIES OF . . .

Quonset Hut

Top 5% of National Honor Society

A tremendous accumulation of knowledge is available at Connersville High School through the great variety of subjects and curriculums.

CHS's vocational departments are equipped with the most up-to-date farm machinery. The newly remodeled library offers recent reading and research material for the eager hard-working students.

Without a shadow of doubt, the four short years one spends at CHS learning and developing his personality will prepare him with a sufficient background to become a future leader of our country.

OUR EFFORTS . . .

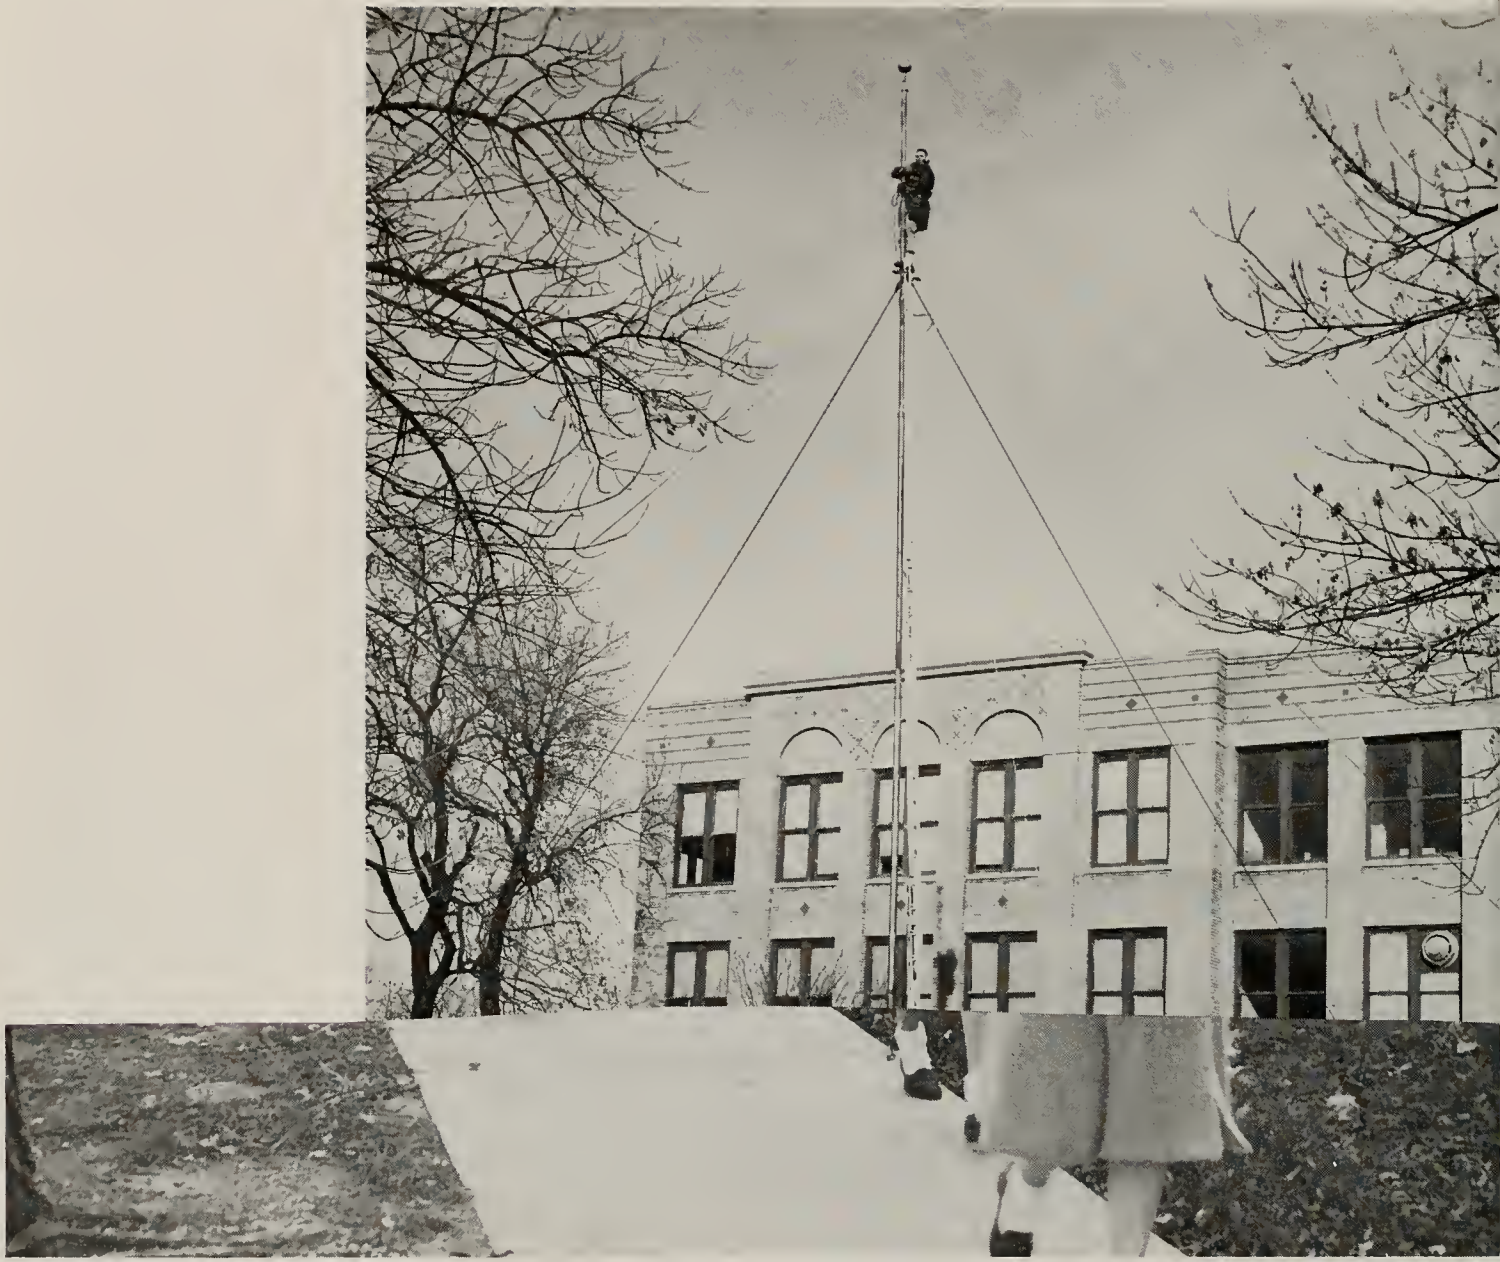

The memories that make us proud of our school, our friends, our activities, and our leadership will not soon be forgotten. Long will we cherish the delightful remembrance of these moments, the serious and the not so serious. The memories and the shadows they have cast on our lives will be an asset to our future.

OUR EFFORTS . . .

The memories that make us proud of our school, our friends, our activities, and our leadership will not soon be forgotten. Long will we cherish the delightful remembrance of these moments, the serious and the not so serious. The memories and the shadows they have cast on our lives will be an asset to our future.

Our education and studies will overshadow and determine our future happiness and success in life. As we continue to increase our stores of knowledge and our abilities, we will develop into better, well-rounded citizens, and we will become more prosperous individuals.

OUR STUDIES . . .

Library

Freshmen seem to be working diligently preparing Community Living reports in our spacious Library.

Courses in both ag and auto mechanics, which are in the vocational field, provide an opportunity for the specially talented student to develop and display his skills. CHS offers many excellent classes for students who are gifted in these fields.

OUR PARTICIPATION . . .

Jerry Knight, leading Spartan scorer, is shooting a jump shot from the corner as the front row of the pep band looks spellbound.

Introducing the Majorettes, from left to right, are—
S. VanHart, L. Whittaker, C. Ripberger, J. Wilson,
L. Brown, and L. Horsley.

Shown at their best are the Minorettes, from left to
right, are—S. Hollingsworth, L. Councillor, N. Reed,
J. Argent, T. Herold, J. Hotel, and K. Swope.

OUR FUN AND FROLIC . . .

Performing for all the home football games this season have been the fast marching, high stepping, majorettes and minorettes. Under the leadership of Laura Argent, a senior, the girls have displayed twirling, dancing, and novelty routines. Calling the steps for the high school marching band has been drum major, Bill Murphy. Bill, also a senior, has had three years' experience in this field.

AND OUR REWARDS

Throughout our high school years we strive to attain our individual goals. When at last we reach the long awaited moments, we find that we are richly rewarded as beauty, pageantry, and solemn reverence combine to form the final touches.

The second floor hallway is a busy place between classes.

PERSONALITIES

A well-rounded student body, an outstanding faculty, and a hard-working maintenance crew blend within the shadows of Connersville High School to fulfill the goals of education.

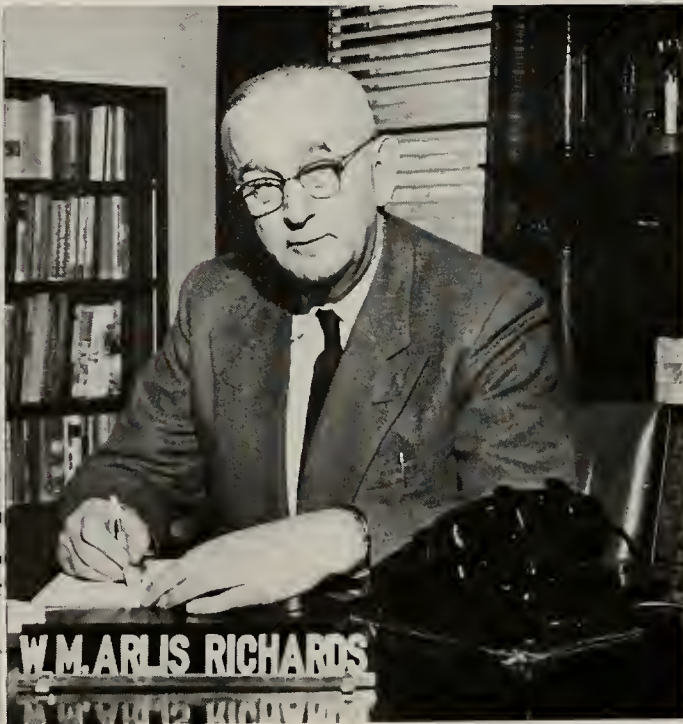

Those Who Shoulder The Responsibilities At CHS

Mr. Frank Van Slyke is now completing his fourth year as Superintendent of the Connersville Public Schools. Aiding him as Assistant Superintendent of the Connersville Public Schools is Mr. William Arlis Richards, a former principal of C. H. S.

Mr. Howard L. Crouse

With much perseverance and guidance, Howard L. Crouse fills the respected position of principal at CHS. He uses his capabilities and potentialities to his fullest extent in facing perhaps the most difficult job of school administration.

W. E. Crone, co-ordinator for Diversified Co-operative Education, is shown here hard at work preparing himself for the day's activities.

The deans—Mrs. Reed and Mr. Lovell.

Members of the School Board are, from left to right: Mr. Adrian Handley, treasurer; Mr. Frank VanSlyke, Superintendent of Schools; Mr. E. P. Roudebush, president; Mr. B. J. Lipps, secretary; Mr. Manford Ferguson, member; and Mrs. Elizabeth Knotts, member.

Office Staff—Mrs. Archbold, Mrs. Sparks, Mrs. Cline, and Mrs. Conrady.

From Out Of The Shadows Step Those Who Excel . . .

Each field has its exceptional students who have shown excellent ability and who are considered as being superior. These students were chosen by the various departments as outstanding in that particular field of study during their four years in school. They are recognized for their outstanding achievements in the "Who's Who In Education" at CHS.

ACTIVITIES

Outside activities play a vitally important and necessary role in the life of every CHS student.

When the bell rings, we are taken into another world representing another phase of our outside life.

Pictured above are the industrious members of the senior class who called themselves the yearbook staff. Staying for an extra noon hour class, the staff missed their deadline but the book made it out on time just the same.

Those Who Overshadow This Production

There are times when the adviser and editor don't smile. Here, Mr. Cord and editor Judy Wilson plan a few changes in the "dummy book."

Editor-in-chief Wilson throws her arms, eyes, and pictures into the air as she can hardly believe there is still so much to do in mid-March.

Trying to meet the deadline and please some twelve hundred students is the job of the Colhiscan staff and salesmen. On the staff this year are seven seniors who have worked hard and faithfully to produce as nice a yearbook as possible. There have been times when we could have pulled our hair out. Times when the copy wasn't done, or we couldn't get an appointment with certain individuals for pictures. There have also been times when Mr. Cord could have pulled our hair out for us! It's been lots of work and lots of fun. We consider it a privilege to be able to present you with this yearbook.

Our yearbook could not have been a success without the 1960 salesmen. They promoted and pushed until they sold 722 copies of the 1960 annual.—Congratulations to all of us!

Mr. Paul and his managers, June Breitenbach and Judy Richwine, point with satisfaction to the giant 722. It has been quite a while since this many Colhiscans have been sold.

The second semester Clarion staff was served by this energetic group of Seniors and Juniors with Joyce Geren and Sandy Wellman splitting the editorship during the semester.

First semester staff members are not pictured, but they include Barbara Burgdoerfer, editor-in-chief; Jeanine Carter, assistant editor; Becky White, feature editor; Steve House, sports editor; Lowell Casey, assistant sports editor; and reporters Bonnie Wanley, Sandy Gough, and John Jackson.

Each spring the Clarion staffs, Coliscan staff, 12 et 30, and the yearbook business staff hold their annual picnic at Roberts Park to end the publication year. Mr. and Mrs. Cord and Mr. and Mrs. Paul have been chaperoning and eating at these picnics for the past four years.

Quill and Scroll is a group formed each year as an honor group for students who have shown outstanding work in the field of journalism. This club is an international society of high school journalists. Those persons working on the staff of the school paper and annual may be members upon meeting the requirement of 125 inches of printed news material or the recommendation of the advisor.

In order to get away from the grind of getting the school paper out and the annual ready, there was a social club established to give the journalists of this school a moment of relaxation. This club is none other than the 12 and 30. Membership is open to any member of the staffs and to beginning journalists if the fifteen inch printed requirement is met.

The Choral Department, consisting of the chorus and choir, has made appearances before the student body for the Thanksgiving, Christmas, and Easter programs. Also in conjunction with the orchestra and band, the choir and chorus have given various concerts during the school year.

CHS's orchestral efforts are guided by Mr. Richard Jones, originally from Cambridge City, who is the director of this talented group. Mr. Robert Beckman, who is the director of the chorus and choirs, guides all vocalists in their attempts to attain harmonious perfection.

The Connersville High School Orchestra, composed of many instrumental proteges, presents at least one concert every year. This select musical group also joins neighboring towns in sponsoring the Music Festival and several district contests.

This band, under the able direction of Mr. George Ewing and Mr. Ivan Webster, has performed for the football and the basketball games and has presented several excellent concerts this school year.

Since the organization of the Senior High School Dance Band, by Mr. George Ewing, the band has given jazz concerts, featuring dancers and vocalists. The band has performed for school activities and for local functions.

SPORTS

Students at CHS and hundreds of adults in the community are true Spartan fans.

These same fans who cheer Jake's boys on during crisp October nights at Spartan Field, feel a thrill when the Spartans warm up in the scenic CHS bowl and have a strong sense of pride in the good sportsmanship displayed by Connersville teams.

We are a proud community and a proud school, and we have good reason to be proud of the records made by the Spartan teams.

Coaches Jack Griffith, Jake Inman and Paul Heaton are shown above discussing the starting line up for the Spartans' opener with New Castle.

Big Red Offense On The Go

Connersville improved its record of 1958 but still could not break even in the won-lost column. Their record was 4-5 and two of the losses were decided by single touchdowns.

When a football team is winning it is much easier for the team to be up for every game. However, this year the Big Red got off to a bad start and still wound up with a respectable record.

This year's squad was composed of ten seniors, all of whom saw plenty of action. Team speed proved to be an advantage on both offense and defense against heavier teams. A dangerous passing attack was added to the Spartan offense and it proved very effective.

Seniors lost in graduation were Loren Stanley, Chuck Cramer, Nelson Salyers, Keith Lewis, Steve House, Tom Welsh, Terry Churchill, Jack Ross and Herman Craig. Many underclassmen saw heavy action and will return to give the Big Red a large group of returning lettermen.

Some of the highlights of the 1959 season were the wins over Rushville, Seymour and Martinsville. The Spartans were also the only team to score more than one touchdown against Columbus. If a strong defensive unit can be found by Coach Jake Inman, the Spartans of '60 could prove to be really rugged. This all adds up to bright hopes for the future for the Men of Sparta.

The defensive unit came to the rescue during the Rushville game and stopped the Lions cold in the fourth quarter. Other times it looked like the "Men of Sparta" had the opponents stopped when a third down pass was completed, or the opponents made first downs by just inches.

The Four Horsemen—Kenny Evans, Jack Ross, Larry Masters, and Mike Evans.

The Big Red line from left to right are Loren Stanley, Don Entner, Steve House, Keith Lewis, Nelson Salyers, Tom Welsh and Terry Churchill.

When the Big Red line put their minds to it, they could block a hole big enough for a tank to drive through or stop a team from gaining a yard for four downs. For the first time in many a year CHS had a potent passing attack. This was made possible by the Spartan line that held out charging defensive linemen for that important four or five seconds. A fine example of this offensive blocking are the Martinsville, Seymour, and Rushville games.

Steve House led the defensive unit in tackles at the line-backer spot, and Dick Foreman held down the other line-backer position. Keith Lewis, Dennis Lambert, and Chuck Cramer provided the "beef" up front, that is necessary for a top defensive line. Other linemen, besides those pictured above, that played a big role for the Spartans were Walt Kureczak, Jim Thomas, Jim Haselby, and Mark Moore.

Hoosier Hysteria

Winning the sectional for the first time in three years highlighted the 1959-60 Spartan round-ball season. The Big Red met their match in the first game of the Connersville Regional and were beaten by the high flying Rushville Lions. Connersville finished the season with a 10-14 record. Coach Ken Gunning announced his resignation following the New Castle game after 17 years of coaching. Juniors Mike Evans, and Paul Crawford will return to form the nucleus of next year's varsity. Seniors that will be missed next year are Jerry Knight, Terry Churchill, Loren Stanley, Les Hammer, Steve House, and Dave Garwood. The Connersville staff wishes the 1960-61 Spartans good luck for next year.

Probably the toughest schedule of CHS history faced the Spartans this year and the squad had nothing to be ashamed of in posting their 10-14 mark. Two ball games were lost in the final seconds with Southport and Shelbyville. At Southport a thirty foot set shot at the end brought defeat but the Shelbyville game is one for the books. Jerry Knight scored with three seconds to apparently send the game into overtime at 65 all. However, Phil Lackey of the Bruins tossed a baseball pitch some 70 feet with the ball ripping through for the winning score. Many had doubts when sectional time rolled around but the Big Red closed the door to the opposition with huge margins of victory in their three games.

Future Stars Of The CHS Hardwood

The Junior Spartans of 1959-60 had one of the best records in the last several years for C. H. S. They compiled an impressive 14-5 record under Coach Bill Brewer, who was named as head coach of the 1960-61 season. Brewer replaced Coach Ken Gunning after Gunning had announced his retirement at the tail end of the Big Red season.

Boys that will probably see plenty of action for the varsity next year are Kenny Evans, Jim Crone, Jeff Ripberger, Tom Carter, and Dick Foreman. Evans and Foreman will be seniors and Crone, Cart-

er, and Ripberger will see action for two more years. The Coliseum staff wishes Coach Bill Brewer all the success in the world in having a fine season next year.

Those tall, tall freshmen will give Spartan fans a bright hope for the future, if their present season means anything. The frosh outfit had a record of 10-8 winning major victories over New Castle, Richmond, and lost out in the last five seconds of the SCC tourney 31-30 to Greensburg.

Coach Rod Cord has led the Freshmen teams to a winning record for the last two years.

1960 Track Team Best In History

CHS should have one of the best track team's in the school's history this year. The track program at Connersville High School has been in a rebuilding stage for three years and the power is just beginning to show for Coach Paul Heaton this year. Heaton took over as head track coach in 1957 and has gradually improved his teams each year. Last year's squad lost one meet and the team was represented by two men in the regional meet. Tom Welch is one of the returning sectional winners out to break records in the high hurdles and the high jump this year.

Senior Letterman Loren Stanley is caught at the right moment clearing the high jump bar at 5' 10".

Tom "Moose" Welsh is far ahead of the field in the high hurdles during a tough meet with Waldron.

Loren Stanley, the team's leading point maker last year is out to better himself this season. Stanley and Welch are three year veterans. Gary Good, a sophomore who had hoped to break the shot put record was ineligible for the first part of season and was sorely missed. Mike Bach, who is formerly from Michigan, carries high hopes in the broad jump and the high jump. Returning pole-vaulters are Jack Ross, Nelson Salyers, and Gary Adams. Terry Churchill will be out to better the quarter mile record along with Charlie Williams. Carrying the burden of the distance runs are Eddie Ball, Steve House, Jim Parker, and Bill Loper.

Ernie Sleet leaps high and wide for a sure place in the broad jump.

Tennis And Cross Country Take Stamina And Skill

Coach Harry Brandley's cross country team was heavily laden with underclassmen this year, but that is a good omen for the future. In the past cross country has been a conditioner for boys who are too small to participate in football or for boys going out for basketball. Bill Loper and Jim Parker were Coach Brandley's two mainstays on the squad.

Tennis Coach Rod Cord issues equipment as 1960 season gets underway.

Coach Rod Cord's tennis team improved vastly this year and Larry Schneider advanced to the semi-finals of the SCC tournament before going down to defeat. Other members of the team are John Neal, John Jackson, Ronnie Hignite, Ralph Harvey. Connersville finished in a three way tie for third in the conference meet and Martinsville captured first.

Pictured below is Larry Schneider, a four year veteran of the tennis squad. An outstanding player, Larry went to the semi-finals of the SCC tourney three straight years.

The Spartan baseball squad from left to right is Jeff Ripberger, Jim Thomas, Dave Anness, Jerry Taylor, Tom Carter, and Gerry Sedam. The second row is Dale Harper, Jim Crone, Larry Schneider, Walt Huber, Dick Foreman, and Keith Lewis. The third row includes Walt Kurzac, Mike Evans, Steve House, Kenny Evans, Jim Kessler, and Don Harvey.

If Connersville's baseball team were ever favored to win the SCC title they should take all the marbles this spring. Coach Howard Plough has lettermen returning at every position and even two deep at some spots.

Returning lettermen are: Catcher Dick Foreman, First Baseman Mike Evans, Second Baseman Tom Carter, Shortstop Steve House, Third Baseman Jim Crone and Larry Schneider and Walt Huber will handle the mound duties. The returning lettermen in the outfield are Jim Kessler, Walt Kurzac, Don Harvey, and Kenny Evans. These boys will form what the 1960 Cohiscan hopes the nucleus of this championship team.

First Crop Of Little Leaguers Now Senior Spartans

Comersville's fine golf team captured the spotlight when the duffers won the South Central Conference title for the first time in the school's history. Bob Bunyard, a strapping blond headed junior, led the field with a hot 78. Other team members are juniors Steve Dorsett and Bob Butcher, and the only senior, Ted Harris. Harris will be the only one missing from this foursome next year, so hopes are bright that Coach Ken Ginnings boys can turn the trick again next year.

In the past Columbus has dominated the SCC by winning the meet 10 times since 1935. Sam Carmichael of Martinsville holds the record for capturing the low medalist honors by winning three times. Carmichael fired a 79 his freshman year to win in 1954, and he returned to win the title in his junior and senior year by shooting a 71 and 72 respectively.

Golf Team Fall Heroes

The Comersville High School golf team is shown above in an action shot at the Comersville Country Club. The Spartan duffers brought the SCC Golf

Crown home for the first time in history. They are from left to right—Ted Harris, Bob Butcher, Bob Bunyard, and Steve Dorsett.

Judy,
 To the one and only
 and the future — of a
 former Greyhound. You
 know how much you mean to me.
 All the plans we have made are slowly
 but surely coming into being. I do love
 you and always will (even if you do go to Ball State).
 I only hope all our futures take good care
 of yourself next year at B.S. and come over to Miami
 and visit a good school. Now Judy, remember this
 you're all I ever want in life and always
 remain the way you are now, never change.
 I Love You and I always will. Next year while
 we're apart be good & be careful please be faith-
 ful unto me as I will be to you believe me.
 Remember this always Keep your hand
 in Gods and Your feet will never
 Stumble + I Love You
 Angel. Love always
 Bill

Judy,
One of the greatest gals
in the class of '60. I have had
so very much fun with as
a cheerleader and a friend
I can sincerely say I will
miss you terribly. Good-bye
is all of your efforts. I know
you will be successful.
Love ya,
Carol
